PROFESSIONAL SUMMARY

Computer Science and Information Technology graduate with hands-on experience building practical digital solutions through cross-platform mobile applications, responsive web development, and database systems. Skilled in Flutter, Dart, Firebase, web technologies, and SQL, with a strong interest in software engineering, problem solving, and creating reliable, user-friendly products. Based in Yemen and open to professional opportunities.

EDUCATION

Ibb University — Faculty of Computing and Applied Sciences

Yemen

Bachelor's Degree in Computer Science and Information Technology

2026

PROJECT EXPERIENCE

Mobile Application Developer, School Management System github.com/waseemw32/school-management-syst

- Developed a mobile application to support school administration and organize educational workflows.
- Built the application with Flutter and Dart, integrating Firebase services and Firestore for cloud data management.
- Applied user-focused design principles to create a practical and reliable experience for educational users.

Web Developer, Personal Portfolio Website

waseemw32.github.io/waseem-portfolio

- Designed and developed a responsive personal website to present professional background, skills, projects, and contact information.
- Implemented the site using HTML, CSS, and JavaScript and deployed it with GitHub Pages.

CERTIFICATIONS

Introduction to Cybersecurity, IBM **Introduction to Cloud Computing**, IBM **Secretarial and Office Management**, Makers of Leaders Center **Professional Experience Certificate**, Nano Soft

TECHNICAL SKILLS

- **Mobile Development:** Flutter, Dart, Android
- **Web Development:** HTML, CSS, JavaScript, PHP
- **Backend and Cloud:** Firebase, Firebase Authentication, Cloud Storage
- **Databases:** MySQL, Firestore, SQLite, SQL
- **Programming:** Python, C#, Java
- **Tools and Workflow:** Git, GitHub, Visual Studio Code

PROFESSIONAL INTERESTS

Software engineering, mobile application development, web development, database systems, cloud services, cybersecurity, and continuous learning.
